## Playing Soccer in the Rain/Heat

Please head to the field as we do play soccer in the rain and the heat.

House League Games will be cancelled at the field by the refs in our U10-adult leagues and by divisional coaches in our U5-U8 leagues due to lightning or thunder.

Competitive Teams (REP & Development) are asked to check the CSA/OSA policy on thunderstorms.

For more information regarding OSA policy on weather please see:

When playing in extreme heat please watch your players to ensure their health and safety and allow for additional water breaks if necessary.
